ABOUT ME

I'm Vishal Prajapati, and I am in my 3rd year of pursuing a bachelor of computer application. I am a web developer with strong skills and experience in creating efficient, user-friendly web applications. I'm passionate about delivering high-quality results and staying updated with the latest trends in web development.

PROJECT

Personal Portfolio Website

Created a personal portfolio website using HTML, CSS, and JavaScript to showcase skills and projects, with a focus on responsive design and easy maintenance.u've understood the requirements of the job.

Practiced

Regularly practice web development by building and refining projects, focusing on improving my skills in HTML, CSS, JavaScript, and UI/UX design. Continuously explore new technologies and design techniques to enhance functionality, user experience, and code efficiency. Stay updated with industry trends to implement modern practices and maintain coding best practices.

EDUCATION
